**POSITION SUMMARY:**

*The Warranty Clerk:*

- Process all warranty claims in a timely manner, as the repair orders are closed.
- Review and process all returned/rejected/adjusted warranty claims, track each claim until its final resolution.
- Book the appropriate technicians for the hours earned on the operations performed. Informing the technician and department management of adjustments as they occur.
- Check each repair order against the vehicles’ service history to avoid processing duplicate claims or submitting claims for shop comebacks.
- Contact the appropriate warranty claims representative regarding any claims requiring additional authorization or for claims requiring special assistance.
- Maintain a record of all claims submitted, returned/rejected, or paid and their current status.
- Manage manufacturers and after-market warranty company policies and procedures.
- Establish and maintain positive and productive relationships with the manufacturer’s representatives and the representative of any aftermarket company with which the dealership conducts business.
- Identify exceptional cases which may result in special agreements with the manufacturer and complete the required documents and follows up.
- Maintain warranty receivable schedules and reconcile credit memos daily.
- Close repair orders (warranty, PDI and internal) daily.
- Refund customers via work order or check as applicable.
- Ensure all aspects of the warranty process are fulfilled within audit requirements.
- Reviews claims exceeding the time frames prescribed by the manufacturer which are not processed in the regular manner.
- Processes and authorizes transit claims, ensuring all required documentations and photographs are obtained and attached to each service invoice.
- Keeping track of all warranty parts by noting the repair order number, date of replacement and date on which part may be disposed.
- Provide a daily report to the Service Manager regarding claims status.
- Monitor the use of special warranty programs for diagnosis time, straight time repairs, etc. for abuse by the service sales and/or technical staff.
- Reviewing and distributing campaigns, product recalls and bulletins daily via the dealer / manufacturer communications portal.
